CONCOURS D'ÉLÉGANCE

July 29th & 30th, 2018

WELCOME TO AN EXCLUSIVE PLACE

Welcome to an exclusive Concours-gathering in a quite unique and seclusive setup. This meeting of collectors, enthusiasts and connoisseurs is a competition of coachbuilding-classics, prototypes and one-offs.

The international competition of elegance in the park of Schloss Dyck will see only the limited number of 65 carefully and exclusively selected and presented cars.

This international Concours d'Élégance will take place on Friday, 29th of June and Saturday, 30th of June, 2018 on the orangery-peninsula of Schloss Dyck near Neuss/Duesseldorf/Cologne in Germany.

The concours-meeting is organized as a meeting of the specialists in classic cars and the collectors. The number of visitors is limited.

And international jury of experts will evaluate and judge the cars based upon international standards.

The meeting is organized by the team of the very reputable Classic Days – the meeting "Masterpieces" will support the foundation of the castle to maintain and restore the historical buildings and the park.

Enjoy the meeting in an incomparable environment, enjoy some days at the castle and in the large park which is a garden-monument with its arboretum and the orangery on the peninsula.

Schloss Dyck looks back onto a long history from being founded in 1094 and the park and the ensemble of the buildings and courtyards being layouted as to be seen today in the years 1820 to 1835. In this most historic center of the Schloss Dyck Foundation you will find the "stage" for the Masterpieces Concours.

A map can be found on the back of this form showing the concours-area and the other activities and presentations on the premises.
